

Enhancing Pedagogy in Cambodia

EPIC Summit 2025: a Summit for national and international education sector professionals

July 14-16, 2025 | Siem Reap, Cambodia

About the Summit

The EPIC Summit 2025 is a landmark event that will unite international researchers, educators, and policymakers to collaborate on innovative strategies for enhancing education, with a particular emphasis on Cambodia's unique educational landscape.

The three-day event is organized by the EPIC (Enhancing Pedagogy in Cambodia) Alliance, a collaboration arising from the PIKT Research collaboration involving four key bodies:

By fostering ongoing collaboration, strengthening global partnerships, and amplifying the impact of effective educational initiatives, the Summit aims to drive meaningful and lasting improvements in Cambodian education.

The EPIC Summit 2025 will take place on **July 14-16, 2025, in Siem Reap, Cambodia.**
